Township Trustee Meetings ~ 2nd & 4th Monday 7:30 PM at Township Hall, located on Alexander Ln.

From The Trustees

SR 32 Corridor - Williamsburg Township

The Trustees have met with the Village Council recently discussing SR 32 from SR 133 to the Brown County line. We are in the very preliminary stages of the discussion. We met after the meeting at the Williamsburg High School to discuss the comments submitted and how those comments fit into the whole system. There were many very good and concerned comments that so far have been incorporated into the thinking and plans for 32.

We are now looking at the utilities along SR 32 and how to provide the correct utilities to encourage growth that helps the area rather than haphazard growth. Another meeting is planned during the summer that will take comments on further planning. As an example of further planning the zoning commission recently recommended that the land use from SR 133 to Brown County is Commercial and Industrial. Land use is not zoning and is an indication of proposed use not the actual zoned use. Land use plans can be changed very easily and should not be considered what will be rather what is planned to be.

Recently, the Trustees met with the company employed by the County. As talked about this is a look at the utilities such as water and sewage. Several suggestions were made.

The consultants will be presenting access, utilities, and land use at the next meeting during the summer. The time and date for this meeting has not been set so be sure to be watching for that meeting. By attending you will be helping to plan the future of Williamsburg Township. We need you suggestions and ideas.

A Message From Guy Bainum

Hello to all in the Williamsburg Township and greetings from your newest Township Trustee. These first four months have been an easy transition from Village Council to Township Trustee thanks to Bari Henning, Jim Taylor, Greg Carson, Vonnie Malott, Earl Whiteman, Dick Malott and all full time, part time and all the volunteers that serve our Township. We truly live in a great country where we can serve other people with freedom's that are not always free, so as we approach Memorial Day we must not forget our men and women that are serving our country at this very moment protecting our freedom, many from our township and let us not forget all veterans that have served in past wars and the one's that paid the ultimate price. If I can ever be of service to you, please let me know by e-mail or by phone, which is listed on the news letter or you may call the Township office.
