He said this is happening all over the county. He said that they recovered a stolen vehicle in Williamsburg Township that was stolen in Milford. He said that he worked at the WJAA Haunted Woods on Thursday, but he wasn't on duty the other nights, so WJAA hired off duty deputies to patrol. He said that there have been pretty serious incidents around the county involving gun suicides.

Mr. Whiteman said that high reflective signs are \$24.95/each. He said that we have them on township roads that intersect with State Roads currently, but if we put them on all township roads, we need ten more. Mr. Danbury said that he feels we need them, because it's a safety issue. Mr. Danbury motioned to purchase ten for our township roads. Mr. Henning second. All yeas. He

said that all of the equipment is running. He said that they should finish mowing the roads tomorrow for the last time of the year. He said that Danny Bolender's last day is October 31. Mr. Henning said that it should be aligned. Mr. Whiteman said that the salt shed is full and all of the equipment is ready for snow if it happens.

Zoning Report

Mrs. Malott presented a zoning report. She said that the county will not take the stub street out of the plans for the Maple Street Homes development, because it is in their regulations. She said that the circle streets in the subdivision will have knuckles rather than squaring off the roads so the streets can be easily identified. Mr. Henning said that it sounds like the County and Maple Street Homes are working out the problems. Mrs. Malott said that it sounds like the changes will be fairly minor. Mr. Danbury asked if the roof was still leaking at the township hall. Mr. Whiteman said that he cleaned it up and it hasn't leaked since. Mr. Danbury asked what was going on with ZBA 5-06. She showed the trustees a copy of what is being proposed. She said that the owner is asking for a variance to build a garage in front of his residence. She said that she drove someone from the county planning staff around the township to show them our township, because this person was new. Mr. Henning said that he talked to Kevin Thomas about being the zoning board of appeals. Mr. Henning motioned to appoint Kevin Thomas to the zoning board of appeals effective immediately with his term expiring 12/31/2008. Mr. Taylor second. All yeas. Mrs. Malott said that the fire auxiliary had a picture fundraiser and someone was supposed to go around the township to notify people, but the picture company didn't get it done. She asked if the fire auxiliary could use the township bulk mail permit at their expense. The trustees said that it is fine to use the permit.

back from ODOT saying that they have a redesign to the turn lanes to increase capacity in 2008 and they will look at turn lights also, but are going to have a study to see if it's needed. He said that the new fire truck has been delivered. He said that they put dry deck on it and it cost around \$300. He said that they are outfitting it with as much equipment as they can that they already have in inventory. He said that the volunteers want to put a patriotic decal on the new fire truck and they want to pay for it, because they don't think it should be paid for out of tax dollars. Mr. Danbury motioned to allow them to put the decals on the fire truck at their expense. Mr. Taylor second. All yeas.
